HEALTH & MEDICAL COORDINATING COALITION REGIONAL BIDLS EQUIPMENT

The following equipment is available to request through the Region 3 HMCC Duty Officer. All Region 3 Public Health Departments who have signed the Cache User Subscription Form are eligible to borrow equipment.

Medical Organizer 4 Drawer & Table (Quantity - 2)

The four drawer medical case with table is a storage container, cabinet and table all in one. This durable case has partitioned drawers for easy, in-field access to vital medical gear. The detachable table provides a much needed work surface. It features deep drawers, customizable drawer dividers, easy-slide drawer guides, drawer label holders, butterfly latches and a wide wheel base.

Specifications

Dimensions: (HxWxD) 36"x26"x23"
(closed)

Weight: 87lbs

Detachable Table: 35" x 24" (30" Tall)

Airlight Pro with Trailer Hitch (Quantity -2)

Professional grade inflatable LED light towers are an incredible solution for area lighting. Set up takes less than a minute. Plug in power and the tower erects itself to cast light in all directions. The combination of direct and diffused light creates an amazing bright and soft lighting condition. The heavy-duty case and durable materials make for a reliable tool.

Specifications

Height: 12 feet
Weight: 64 pounds
Wattage: 860 Watts
Light output: 74,400 lumens
Voltage: 120V AC
Footprint: 28" x 28" x 24" tall

HD Receiver Hitch Mount (Quantity-2)

The Hd Receiver mount allows you to easily attach to any standard Class 2 or Class 3 receiver hitch to easily transport the AirLight. This mount has 2 wheels and a easy to use multi use mount that converts from hitch use to handle use using the same pin that you receive with the mount.

Specifications

Weight: 29.00 lbs
Dimensions: 24 x 24 x 6 in

13X26 Drive-Thru Tent Configuration (Quantity-2)

Heavy Duty 13x26 drive thru tent configuration, ideal for medical screening and vaccination clinics. Easy to use and set up, quick to deploy. There are six 55lbs footplates to ensure tent structure is able to be properly secured.

Each tent includes three electric heaters and two LED Light kits. Tents have a storage bag to hold frame and canopy and dolly for easy transportation.
