

# SHELTERING IN PLACE FOR PUBLIC HEALTH REASONS

During an emergency, public health officials may decide it's safer to stay where you are.

## Town of Name

For more information, call 555-555-5555, or visit [ourwebsite@town.com](mailto:ourwebsite@town.com)

## IF YOU ARE ASKED TO SHELTER IN PLACE:

- Stay indoors and away from windows.
- Lock doors and windows, close air vents, and close fireplace dampers.
- Listen to local television or radio for updates.
- Be prepared to evacuate.
- Stay inside until it's safe to leave.

## IF CONTAMINANTS ARE IN THE AIR:

- Go to an interior room or a room with as few windows as possible.
- Seal windows, doors, and air vents with plastic sheeting and duct tape.
- Turn off fans, ACs, and forced air heating systems.
- Bring pets indoors.
